All meetings, except closed sessions, are open to the public and any individual or delegation may address the Board during the Public Comment segment. A person wishing to be heard shall be recognized by the President, shall then identify himself/herself and proceed with comments, which shall be limited in time at the discretion of the President.

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

Meeting guidelines are as follows:

- Limiting the time any individual may address the board.
- Requiring individuals who wish to address the Board to identify themselves, their address, and any organization they may represent.
- Advising the public that, generally, the Board and individual Board members will not directly respond to comments or questions that arise during the public participation portion of the meeting.
- Requiring individuals who wish to address the Board to direct their comments to the entire Board and not to individual Board members, the Superintendent, other School District employees, or members of the audience.
- Prohibiting behavior that is intemperate, abusive, defamatory, or discourteous, or that otherwise interferes with the orderly conduct and timely completion of the Board meeting.
- Excluding from the meeting an individual who engages in conduct that constitutes a breach of the peace.
- Limiting the first public comment period during a Board meeting to comments related to the Board's agenda.
