## Board of Education - *Resolution*

**Year-Volume Number:** 2024-57

**Meeting Date:** September 30, 2024

**Resolution Number:** 78

**Department:** Facilities

**Topic:** Croswell Training Rooms Furniture Proposal

**Recommendation:** Move to approve the furniture proposal for the newly renovated training rooms at Croswell as recommended by district administration and district consultants, NBS Commercial Interiors.

**Rationale:** Dr. Robinson has worked with district administration and our furniture consultant to plan for outfitting the newly renovated training rooms at Croswell with the appropriate furniture. The furniture will be adaptable to a variety of room configurations that will accommodate different group sizes.

The proposal and recommendations outlined by NBS detail our needs for both spaces. The renovation work has been completed ahead of schedule so we are seeking approval to acquire the new furniture as soon as possible due to current lead times.

These quotes are bid through state approved consortiums with additional discounted pricing from specific vendors as negotiated by NBS on behalf of the district. All funds are within the original budgeted amounts in the 2021 Bond Application.

**Responsible Person(s):** Dr. Robinson, Superintendent

**Financial Impact:** 2021 Facilities Bond - not to exceed \$78,852.00
