All children from families at or below the income levels in Column A are eligible to receive meals, after school snack, or milk at no cost, if available (Special Milk Program only). Column A is used for the National School Lunch Program and School Breakfast Program, or Special Milk Program.

In addition, Federal P.L. 94-105 makes mandatory the service of reduced-price meals to those children from families within the range of incomes in Column B. These children must be provided with lunches at a price not exceeding 40 cents. If the Breakfast Program or an after-school snack program is available, all children qualifying for free and reduced-price lunches will also qualify for free and reduced-price breakfasts and/or snack. The charge for a reduced-price breakfast may not exceed 30 cents; the charge for reduced price snack may not exceed 15 cents. Column B must therefore be used in providing reduced price meals.
