In the event that the Board should need to subcontract work of a kind performed by bargaining unit members on a temporary basis, the parties shall meet to review the necessity for such subcontract. However, nothing contained herein shall be interpreted to mean the lessening of the requirements of this Article that only members of the

bargaining unit shall be allowed to hold Administrator positions.

SECTION 2: CONFLICTS

The Board agrees that it will not enter any agreement with another labor organization or with the said employees, individually or collectively, which in any way conflicts with the terms of this Agreement. Any such agreement shall be null and void.

- A. It is expressly agreed that all rights and prerogatives, which ordinarily vest in and have been exercised by the Board, except those which are clearly and expressly relinquished herein by the Board, shall continue to vest exclusively in and be exercised by the Board without prior negotiations with the Union either as to the taking of action under such rights or with respect to the consequences of such action during the term of this Agreement. Such rights shall include, by way of illustration and not by way of elimination, the right to:

The Employer reserves the right to temporarily delay the release of a Steward or Alternate Steward in the event the efficiency of the Department is unreasonably affected by their absence. However, in no event, shall a Steward or Alternate Steward be deprived of the right, upon employee request, to assist an employee in a disciplinary or discharge situation governed by Weingarten.
- D. The Steward or Alternate Steward, during their regular working hours without loss of time or pay, may investigate and present grievances to the Employer; provided, however, that if such Steward or Alternate Steward requires more than one (1) hour to investigate and present said grievance, a request for additional time may be made to the Superintendent or his/her designee.
- E. The privilege of Steward, Alternate Steward or Negotiating Team leaving their work during regular working hours without loss of pay is subject to the understanding that the time will be devoted to the proper handling of negotiations, discipline matters/hearings or the presenting and hearings of grievances. ARTICLE 5

UNION SECURITY

- A. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members of the Union.
- B. Membership in the Union or payment of a representation fee is voluntary, not compulsory. Employees have the right to join, not join, maintain, or drop their membership in the Union. Neither party shall exert any pressure on or discriminate against an employee in regards to such matters. The Union is required by law to represent all employees in the bargaining unit fairly and equally, regardless of Union membership. The terms and conditions of this Agreement apply to all employees within the bargaining unit.

- C. The Union will be allowed space in the school building to store, paper, and supplies and other union items for Union use. The Union Steward will be provided space to conduct union business during release time that shall include their office. In the case where the steward's room is being utilized or shared during that release time, the district shall provide the Union an alternative private space that includes district phone and technology.
- D. Meetings of the Union may be held in the school building before or after the normal student day. Should the meeting time, arrangements for the meeting or clean up following the meeting require extra custodial help, the Union will be expected to bear the expense. Prior arrangements must be made with the building principal. Committee meetings and individual contacts may be scheduled during the Administrators lunch period provided that Union activities shall not interfere with the operation of the schools or of any class within said schools.
- E. The Union shall have the right to post notices of its activities and matters of Union concern on Administrator bulletin boards in faculty areas, at least one of which shall be provided in each building.
- F. The Union will be allowed to use mail service and mailboxes of the school district for distribution of announcements, Union news, and the dissemination of professional literature.
- G. The Union may use, within the school building, the duplication equipment, computers and other technology, and the audiovisual equipment necessary to its operation, provided that the equipment is not otherwise in use or scheduled for use and that the request for use of the equipment is approved by the principal of the building. The Union shall pay for all materials and supplies incidental to the use of such equipment, and shall be responsible for any damages to equipment used if the damage is directly attributed to the Union's use.
- H. Membership in the Union shall be open to all Members. There will be no tolerance for discrimination or harassment on any basis prohibited by law.
- I. An Administrator engaged during the school day in negotiating on behalf of the Union with any representative of the Board or participating in any grievance, including arbitration, shall be released from regular duties without loss of pay.

ARTICLE 6

STRIKE PROHIBITION

The Union agrees that neither its members nor any member of the bargaining unit will take part in an illegal strike against the Board. As used in this context, the word "strike" shall mean the concerted failure to report for duty; the willful absence from one's position; the stoppage of work; the abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in the conditions, or compensation, or the rights, privileges or obligations of employment.

ARTICLE 7

DISCIPLINE

- A. No administrator shall be disciplined including warnings, reprimands, suspensions and discharges

without just cause. The specific grounds forming the basis for disciplinary action will be made available to the administrator and the Union in writing.

- B. An administrator shall be entitled to have present a representative of the Union during any investigatory meeting into possible disciplinary consequences. When a request for such representation is made, no action shall be taken with respect to the administrator until such representative of the Union is present, provided that such representation is provided in a reasonable amount of time.
- C. A program of progressive discipline shall be followed, with the understanding that the severity of an offense may provide reason for the district to impose a disciplinary consequence that is and due process, which is: 1) verbal warning; 2) written reprimand, and 3) suspension with or without pay, and 4) discharge. The parties acknowledge that the severity of an offense including repeat offenses may provide good cause for the acceleration of the above progression of discipline. Any disciplinary action taken against an administrator shall be appropriate to the behavior which precipitates said action.
- D. The district's investigation guideline may be followed.
- E. The discipline is subject to the grievance procedure outlined in the Collective Bargaining Agreement.

ARTICLE 8

GRIEVANCE PROCEDURE

A grievance shall be defined as a claim by any employee, or group of employees, or the bargaining unit, that there has been a violation, misinterpretation, or misapplication of any provision of this agreement shall be deemed a grievance under this agreement. If a grievance is unique to one individual, the grievance must be filed by the individual who is affected.

The time limits specified hereinafter for movement of a grievance through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the Union and School District in writing. In the event that the bargaining unit fails to appeal a grievance or appeal a School Board answer within the particular specified time limit, the involved grievance shall be deemed abandoned and settled on the basis of the School Board's last answer, if any. In the event the School Board shall fail to supply the bargaining unit with its answer to the particular step within the specified time limits, the grievance shall be automatically positioned for appeal at the next step within the time limit for exercising said appeal, commencing with the expiration date of the School Board's grace period for answering.

All specified time limits herein shall consist only of work days. Employees may be given a paid leave for purposes of appearing as necessary witnesses in arbitration cases involving the Board, if they shall designate in writing at least three (3) work days prior to said hearing, and that all persons are needed. In the event that designated witnesses are in fact not necessary to the arbitration hearing, then their leave shall be without pay.

Each grievance shall have to be initiated within ten (10) work days of the occurrence which is the cause for complaint, or, if neither the aggrieved nor the bargaining unit had knowledge of said occurrence at the time of its happening, then within ten (10) work days of the first such knowledge by either the aggrieved or the bargaining unit. Appropriately published School Board notices relating to rules and regulations, which are not in conflict with this agreement, shall be considered as binding the bargaining unit and all members of the bargaining unit. Settlement of delayed grievances, as provided, shall be retroactive to the date of incident.

- **STEP ONE:** Any employee, having an alleged grievance as herein above defined, may process the

complaint in the following manner. The aggrieved employee or employees shall take the matter up with the Superintendent on an informal conference within ten (10) work days following the act or condition which is the basis of this grievance.

- **STEP TWO:** In the event the matter is not resolved informally, a written grievance may be filed with the Superintendent in which the grievance arises within ten (10) work days following the informal meeting. The written grievance shall set forth a specific Article or Paragraph of the Article allegedly violated, misinterpreted, or misapplied, along with a statement of the relief sought on the Union's Grievance Form. The Superintendent shall have ten (10) working days to issue a written decision.
- **STEP THREE:** Within ten (10) work days after receiving the decision of the Superintendent, the aggrieved party has the option to request mediation through the Michigan Employment Relations Commission (MERC) in a further attempt to resolve the grievance. The Union or School District shall notify the other party of its intent to utilize Mediation. The Union shall notify MERC to request the assistance of a Mediator, and the parties shall work cooperatively to set up subsequent Mediation.
- **STEP FOUR:** If mediation is not successful, the Grievant may move the grievance to arbitration within forty-five (45) calendar days. The demand for arbitration shall be filed with the Michigan Employment Relations Commission in accordance with the current applicable rules and regulations set forth by MERC, sending a copy of such demand to the opposite party. In lieu of the parties using MERC, they may mutually agree on an Arbitrator. MERC will only be used for selection of the arbitrator.

The arbitrator shall have no authority to arbitrate any complaint that is not an alleged violation, misinterpretation, or misapplication of specific and expressed provisions of the Collective Bargaining Agreement. The Arbitrator shall not have the power to modify, amend, add to, or subtract from this Agreement. If the grievance sought to be arbitrated is not specifically covered by this agreement, then said arbitrator shall have no authority in connection therewith. The arbitrator's authority shall be as limited in this Agreement. The arbitrator shall have no power to hear any grievance or rule on any dispute regarding the decision of the Board of Education not to extend or renew the contract of any administrator. The expenses of the arbitrator shall be paid one-half (½) by the Union and one-half (½) by the School District, and all other expenses shall be borne by the party incurring them. So long as said arbitrator does not exceed his authority as provided herein, his decision shall be final and binding on the Union, and all members of the bargaining unit and the School District.

It is understood between the parties that only the Union, not the individual member, has the right to proceed to arbitration.

Expedited Grievance. In the case of discharge, or by mutual agreement, other grievances, the Grievance Process will start at Step II – Superintendent.

Definition of Days. For purposes of this Article, working days shall include Monday through Friday, excluding Saturdays, Sundays, holidays, and District recess days.

ARTICLE 9

LAYOFF AND RECALL

- A. In reduction-in-force situations for administrative personnel, the Board of Education will consider, but not be bound by, factors of seniority, evaluations and qualifications. If, after the application of the above provision, the Administrator is laid off, he/she shall have recall rights equal to his/her total length of service

with the district, but in no event less than the expired term of his/her most current contract.

- B. Recall of all administrators shall be in the reverse order of lay-off: i.e., those laid off last will be recalled first.
- C. Qualifications would include experience at a specific level, i.e. elementary versus secondary. Experience in a specific category, i.e. assistant principal versus principal.

- C. Seniority shall accumulate to bargaining unit members during periods of compensated sick leave, disability leave, professional leave, lay-off and Association leaves of absence. Time for unpaid leaves of absence, except as previously defined, shall not count towards seniority.
- D. Seniority shall terminate upon resignation, retirement, or discharge.
- E. The Board shall furnish the Union with an updated seniority list within thirty (30) calendar days after the beginning of each school year.

A representative of the Union may, at the administrator's request, accompany the administrator in this review. The review shall be made in the presence of the Administrator or designee responsible for the safekeeping of these files. Confidential reports from colleges and former employers or other references are excluded from a review of an administrator's personnel file.
- D. General Access to the administrator's Personnel File - Only authorized school personnel shall have access to an administrator's personnel file as it relates to their administrative responsibility within the school district, unless current laws require otherwise. Timely notice will be given to an administrator, should a request for access to materials in their personnel file be received by the school district.
- E. Removal of Materials from Administrator Personnel Files – Materials once placed in the administrator's personnel files may only be removed with the authorization of the Superintendent of Schools or designee. Administrators may initiate a review of their file.
- F. If the administrator believes that non-disciplinary material to be placed in their file is in error, the administrator may receive adjustment, provided cause is shown, through the grievance procedure, whereupon the inappropriate or incorrect material will be corrected or expunged from the file. If the administrator is asked to sign material placed in their file, such signature shall be understood to indicate their awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- G. Requests for information under the Freedom of Information Act
 - a. All requests must be made in writing and include the name and address of the person(s) or organization(s) making the request.
 - b. Once a FOIA request is received by the FOIA Coordinator, the administrator and the Union shall be notified and provided with a copy of the FOIA request.
